

Please Join the PTO Team To Help Build Something Special

Our school is special because of the cooperative efforts of our exceptional teachers, our school staff, and you the parents.

WUES PTO strives to encourage communication between parents and teachers. We want to promote cooperation between your family and the school.

WUES PTO helps the school by volunteering and with our financial assistance. This allows us to support curriculum enrichment programs and to help make improvements at the school.

Volunteering is an excellent way to become involved in your child's future and a great opportunity to meet new friends. Help us build something special for the future of our children, and remember: "Our children are our greatest legacy."

Please join the team and fill out the form below.
